## YOU'RE IN THE WATER!

## THE EPIRB IS IN THE BOAT!

YOU ARE BECOMING INCREASINGLY SEPARATED!  
... IT HAPPENS!

Why put yourself in this situation when for less than \$300 help is at hand if you have a KTI SafetyAlert PLB in your pocket!

**kti**

**Safety Alert**

EPIRBs & PLBs

ONE FOR ME... ONE FOR ME BOAT...

NEW

Introducing our NEW KTI SafetyAlert PLB – the perfect companion

While it does not replace a statutory EPIRB, our PLB has the same lifesaving technology in a smaller, light-weight design and is supplied with an impact resistant case, retention lanyard, mirror and whistle and is self buoyant without any external flotation cover.

Small enough to take any where, the KTI SafetyAlert PLB has a wide range of uses – aviation, fishing, hunting, bush walking, farming, 4x4 wheel driving, kayaking, jet-skiing, snow sports, travelling into remote areas, etc.

**THINK SAFETY FIRST** NO ONE DOES IT BETTER THAN US

Over 25 years manufacturing quality, reliable, affordable beacons in Australia. For more information call 03 9583 9566 or [www.kti.com.au](http://www.kti.com.au)

**Kinetic Technology International Pty. Ltd. (KTI)** is a wholly Australian owned company which has been designing and manufacturing a range of emergency beacons for over 25 years.

The range includes *Safety Alert* 406 Mhz EPIRBs and PLBs, life-raft locator beacons, SAR datum buoys and SAR training beacons for the professional, private and military markets.

When a *Safety Alert* EPIRB or PLB battery expires, KTI will replace the battery with a new 10 year battery for less than \$150.00.

KTI uses the most advanced technology, setting the benchmark for the industry. For more information and high resolution images please contact:
