The conversation around Coleman's Instant Up tents can become a little...

well, *intents*.

This episode of the Snowys Camping Show is no different, as Ben and Lauren exchange their interpretations of the range.

Be it Lauren's persistence in sticking to her show plan, or Ben's strong recommendation to reconsider - our gear gurus deconstruct each Coleman Instant Up model and unpack their features from the floor to the fly, soon coming to mutual revelations and conclusions.

Ben and Lauren discuss the difference between P and PV. Pictured: Coleman Instant Up Gold 4PV Dark Room Tent (Credit: Coleman)
